**CAREFUL NOW!**

Paper edges can be sharp!  
You don't want to give yourself a nasty paper cut...

## HAPPY WILLIAM CONDOM SIZE GUIDE

FINDING YOUR PERFECT FIT MEANS SAFER, BETTER FEELING SEX.

To find your perfect fit condom, the circumference of your penis is a key measurement.

FIND YOUR PERFECT SIZE IN 3 SIMPLE STEPS:

1. Print this guide and cut out the Happy William measuring tape above with scissors.
2. Use the measuring tape to measure around the thickest part of your erect penis and note your measurement.
3. Divide your measurement by 2. This will give you a 'flat width' measurement.

CHECK YOUR 'FLAT WIDTH' MEASUREMENT ON THE HAPPY WILLIAM BRAND CHART BELOW TO SEE WHICH BRAND AND SIZE MIGHT SUIT YOU BEST.\*

\*Don't worry if your exact measurement doesn't feature on our chart. Choose the one closest to your measurement.

DUREX		EXS		MYSIZE		ON		PASANTE	
Thin Feel Ultra Thin	52mm	Snug	49mm	47	47mm	Little Tiger	49mm	Trim	49mm
Invisible Extra Lubricated		Nano Thin / Delay	53mm	49	49mm	Stimulation	54mm	Ribbed_Passion	52mm
Euroglider / London Wet	Regular	54mm	53	53mm	Super Thin	Regular / Ultra Thin			
Thin Feel Close Fit	52.5mm	Extra Safe / Air Thin	56mm	57	57mm	Natural Feeling	Infinity / Delay	53mm	
Extra Safe / Thin Feel / Real Feel	56mm	Flavoured		60	60mm	Fruit & Color	Naturelle	54mm	
Intimate Feel Thin / Strawberry / Latex Free		Ribbed, Dotted & Flared	64	64mm	Extra Large	57mm	King Size	60mm	
Pleasure Me / Intense Ribbed & Dotted	57mm	Magnum	60mm	69	69mm	Super King	69mm		
Comfort XL Large									

If you like a closer or wider fit, try one condom size bigger or smaller. Remember that the condom must not slip off.

The best way to find out which fit and brand suits you best is to try them out for yourself; test them for comfort and feel!

**IMPORTANT:** When printing this guide please choose "Actual Size" from the page scaling menu ensuring the guide will be printed at original size.
